## I.4.7 Language of requests for payments, technical reports and financial statements

All requests for payments, technical reports and financial statements must be submitted in English, French or German; preferably in English, indicating the number of the Agreement and the Project reference number.

#### ARTICLE 1.5 — PAYMENTS AND PAYMENT ARRANGEMENTS

#### I.5.1 Payments to be made

The Agency must make the following payments to the coordinator:

- a first pre-financing payment;
- a second pre-financing payment, on the basis of the request for the second pre-financing payment referred to in Article I.4.2;
- one payment of the balance, on the basis of the request for payment of the balance referred to in Article I.4.4.

#### I.5.2 Pre-financing payment[s]

The aim of the pre-financing is to provide the beneficiaries with a float. The pre-financing remains the property of the European Union ('the Union') until it is cleared against interim payments or, if it is not cleared against interim payments, until the payment of the balance.

The Agency must make a first pre-financing payment of 50% of the maximum amount specified in Article I.3.1 to the coordinator within 30 calendar days from the entry into force of the Agreement, except if Article II.24.1 applies.

The Agency must make a second pre-financing payment of 40% of the maximum amount specified in Article I.3.1 to the coordinator within 60 calendar days from when the Agency receives the request for second pre-financing payment referred to in Article I.4.2, except if Article II.24.1 or II.24.2 apply.

If the statement on the use of the previous pre-financing instalment submitted in accordance with Article I.4.2 shows that less than 70 % of the previous pre-financing instalment paid has been used to cover costs of the action, the amount of the new pre-financing to be paid must be reduced by the difference between the 70 % ceiling and the amount used.

#### I.5.3 Interim payment[s]

Not applicable

#### I.5.4 Payment of the balance

The payment of the balance reimburses or covers the remaining part of the eligible costs and contributions for the implementation of the action.

If the total amount of earlier payments is greater than the final amount of the grant determined in accordance with Article II.25, the payment of the balance takes the form of a recovery as provided for by Article II.26.

If the total amount of earlier payments is lower than the final amount of the grant determined in accordance with Article II.25, the Agency must pay the balance within 60 calendar days from when it receives the documents referred to in Article I.4.4, except if Article II.24.1 or II.24.2 apply.

Payment is subject to the approval of the request for payment of the balance and of the accompanying documents. Their approval does not imply recognition of the compliance, authenticity, completeness or correctness of their content.

The Agency determines the amount due as the balance by deducting the total amount of prefinancing and interim payments (if any) already made from the final amount of the grant determined in accordance with Article II.25.

The amount to be paid may, however, be offset, without the beneficiary's consent, against any other amount owed by the beneficiary to the Commission or to an executive agency (under

the EU or Euratom budget), up to the maximum contribution indicated for that beneficiary, in the estimated budget in Annex III.

#### I.5.5 Notification of amounts due

The Agency must send a formal notification to the coordinator:

- (a) informing it of the amount due; and
- (b) specifying whether the notification concerns a further pre-financing payment or the payment of the balance.

For the payment of the balance, the Agency must also specify the final amount of the grant determined in accordance with Article II.25.

#### I.5.6 Interest on late payment

If the Agency does not pay within the time limits for payment, the beneficiaries are entitled to late-payment interest at the rate applied by the European Central Bank for its main refinancing operations in euros ('the reference rate'), plus three and a half points. The reference rate is the rate in force on the first day of the month in which the time limit for payment expires, as published in the C series of the Official Journal of the European Union.

Late-payment interest is not due if all beneficiaries are Member States of the Union (including regional and local government authorities and other public bodies acting in the name of and on behalf of the Member State for the purpose of the Agreement).

If the Agency suspends the time limit for payment as provided for in Article II.24.2 or if it suspends an actual payment as provided for in Article II.24.1, these actions may not be considered as cases of late payment.

Late-payment interest covers the period running from the day following the due date for payment, up to and including the date of actual payment as established in Article I.5.8. The Agency does not consider payable interest when determining the final amount of grant within the meaning of Article II.25.

As an exception to the first subparagraph, if the calculated interest is lower than or equal to EUR 200, it must be paid to the coordinator only if the coordinator requests it within two months of receiving late payment.

#### I.5.7 Currency for payments

The Agency must make payments in euros.

#### I.5.8 Date of payment

Payments by the Agency are considered to have been carried out on the date when they are debited to its account.

#### I.5.9 Costs of payment transfers

Costs of the payment transfers are borne as follows:

- (a) the Agency and/or the Commission bears the costs of transfer charged by its bank;
- (b) the beneficiary bears the costs of transfer charged by its bank;
- (c) the party causing a repetition of a transfer bears all costs of repeated transfers.

The coordinator must immediately inform the Agency, stating:

- (a) the reasons for suspension, including details about the date or period when the exceptional circumstances occurred; and
- (b) the expected date of resumption.

Once the circumstances allow the beneficiaries to resume implementing the action, the coordinator must inform the Agency immediately and present a request for amendment of the Agreement as provided for in Article II.16.3. This obligation does not apply if the Agreement or the participation of a beneficiary is terminated in accordance with Articles II.17.1, II.17.2 or points (c) or (d) of Article II.17.3.1.

#### II.16.2 Suspension of implementation by the Agency

#### II.16.2.1 Grounds for suspension

  - (a) the suspension of the implementation;
  - (b) the reasons for suspension; and
  - (c) the final conditions for resuming the implementation in the cases referred to in points (a) and (b) of Article II.16.2.1,; or
  - (d) the indicative date of completion of the necessary verification in the case referred to in point (c) of Article II.16.2.1,.

The coordinator must immediately inform the other beneficiaries of the suspension. The suspension takes effect five calendar days after the *formal notification* is received by the coordinator or on a later date specified in the *formal notification*.

Otherwise, the Agency must send a *formal notification* to the coordinator informing it that it is not continuing the suspension procedure.

#### II.16.2.3 Resuming implementation

In order to resume the implementation, the beneficiaries must meet the notified conditions as soon as possible and must inform the Agency of any progress made.

- (b) requiring it to present a request for amendment of the Agreement as provided for in Article II.16.3. - (a) set the date on which the action is to be resumed;
- (b) extend the duration of the action, and
- (c) make other changes necessary to adapt the action to the new situation.

The suspension is lifted with effect from the resumption date set out in the amendment. This date may be before the date on which the amendment enters into force.

Costs incurred during the period of suspension that relate to the implementation of the suspended action or the suspended part of it may not be reimbursed or covered by the grant.

Suspending implementation of the action does not affect the Agency's right to terminate the Agreement or to terminate the participation of a beneficiary in accordance with Article II.17.3, reduce the grant or recover amounts unduly paid in accordance with Articles II.25.4 and II.26.

Neither party may claim damages due to suspension by the other party.

#### ARTICLE II.17 — TERMINATION OF THE AGREEMENT

#### II.17.1 Termination of the Agreement by the coordinator

The beneficiaries may terminate the Agreement.

The coordinator must send a *formal notification* of termination to the Agency, stating:

- (a) the reasons for termination; and
- (b) the date on which the termination takes effect. This date must be set after the formal notification.

If the coordinator does not state the reasons for the termination or if the Agency considers that the reasons do not justify termination, the Agreement is considered to have been terminated improperly.

The termination takes effect on the day specified in the *formal notification*.

## II.17.2 Termination of the participation of one or more beneficiaries by the coordinator

The participation of one or more beneficiaries may be terminated by the coordinator at the request of the beneficiary concerned or on behalf of the other beneficiaries.

The coordinator must send a *formal notification* of termination to the Agency and inform the beneficiary concerned by termination.

If the coordinator's participation is terminated without its agreement, the *formal notification* must be submitted by another beneficiary (acting on behalf of the other beneficiaries).

The formal notification must include:

- (a) the reasons for termination;
- (b) the opinion of the beneficiary concerned by termination (or proof that this opinion has been requested in writing);
- (c) the date on which the termination takes effect. This date must be set after the formal notification, and
- (d) a request for amendment as provided for in Article II.17.4.2(a).

If the coordinator or beneficiary does not state the reasons for the termination or if the Agency considers that the reasons do not justify termination, the participation will be considered to have been terminated improperly.

The termination takes effect on the day specified in the formal notification.

# II.17.3 Termination of the Agreement or the participation of one or more beneficiaries by the Agency

#### II.17.3.1 Grounds for termination

The Agency may terminate the Agreement or the participation of any one or several beneficiaries, if:

- (a) a change to the beneficiary's legal, financial, technical, organisational or ownership situation is likely to affect the implementation of the Agreement substantially or calls into question the decision to award the grant, or a change regarding the exclusion situations listed in Article 136 of Regulation (EU) 2018/1046, that calls into question the decision to award the grant;
- (b) following the termination of the participation of any one or several beneficiaries, the necessary modifications to the Agreement would call into question the decision awarding the grant or would result in unequal treatment of applicants;
- (c) the beneficiaries, any *related person* or any natural person who is essential for the award or for the implementation of the Agreement have committed serious *breach of obligations*, including improper implementation of the *action* as described in Annex I;
- (d) the implementation of the *action* is prevented or suspended due to *force majeure* or exceptional circumstances and either:
  - (i) resumption is impossible; or
  - (ii) the necessary changes to the Agreement would call into question the decision awarding the grant or be contrary to the equal treatment of applicants;
- (e) a beneficiary or a natural or legal person that assumes unlimited liability for the debts of that beneficiary:
  - (i) is declared bankrupt, is subject to insolvency or winding up procedures, its assets are being administered by a liquidator or by a Court, has entered into an agreement with creditors, has suspended business activities or is in any

- analogous situation arising from a similar procedure provided for under the Union or national law;
- (ii) is in breach of its obligations relating to the payment of taxes or social security contributions in accordance with the applicable law;
- (f) a beneficiary or any *related person* or any natural person who is essential for the award or for the implementation of the Agreement has committed:
  - (i) grave professional misconduct proven by any means;
  - (ii) fraud;
  - (iii) corruption;
  - (iv) conduct related to criminal organisations;
  - (v) money laundering;
  - (vi) terrorism-related crimes (including terrorism financing);
  - (vii)child labour or other offences concerning trafficking of human beings;
- (g) the Agency has evidence that a beneficiary or any related person or any natural person who is essential for the award or for the implementation of the Agreement has committed irregularities, fraud or breach of obligations in the award procedure or while implementing the Agreement, including if that beneficiary, related person or natural person has submitted false information or failed to provide required information;
- (h) the Agency has evidence that a beneficiary has committed systemic or recurrent irregularities, fraud or serious breach of obligations in other Union or Euratom grants awarded to it under similar conditions and such irregularities, fraud or breach of obligations have a material impact on this grant;
- (i) a beneficiary or any related person or any natural person who is essential for the award or for the implementation of the Agreement has created an entity under a different jurisdiction with the intend to circumvent fiscal, social or any other legal obligations in the jurisdiction of its registered office, central administration or principal place of business;
- (j) a beneficiary or any related person with the intend referred to in point (i) or
- (k) the Agency has sent a beneficiary, through the coordinator, a *formal notification* asking it to end the participation of its affiliated entity because that entity is in a situation provided for in points (e) to (j) and that beneficiary has failed to request an amendment ending the participation of the entity and reallocating its tasks.

#### II.17.3.2 Procedure for termination

- **Step 1-** Before terminating the Agreement or participation of one or more beneficiaries, the Agency must send a *formal notification* to the coordinator:
  - (a) informing it of:
    - (i) its intention to terminate;
    - (ii) the reasons for termination; and
  - (b) requiring it, within 45 calendar days of receiving the formal notification,:
    - (i) to submit observations on behalf of all beneficiaries; and

(ii) in the case of point (c) of Article II.17.3.1, to inform the Agency of the measures to ensure compliance with the obligations under the Agreement.

Step 2 — If the Agency does not receive observations or decides to pursue the procedure despite the observations it has received, it will send a *formal notification* to the coordinator informing it of the termination and the date on which it takes effect. The coordinator must immediately inform the other beneficiaries of the termination.

Otherwise, the Agency must send a *formal notification* to the coordinator informing it that the termination procedure is not continued.

#### The termination takes effect:

- (a) for terminations under points (a), (b), (c) and (e) of Article II.17.3.1: on the day specified in the *formal notification* of termination referred to in the second subparagraph (i.e. in Step 2 above);
- (b) for terminations under points (d), (f) and points (g) to (j) of Article II.17.3.1: on the day after the coordinator receives the *formal notification* of termination referred to in the second subparagraph (i.e. in Step 2 above).

#### II.17.4 Effects of termination

#### II.17.4.1 Effects of terminating the Agreement:

Within 60 calendar days from the day on which the termination takes effect, the coordinator must submit a request for payment of the balance as provided for in Article I.4.4.

If the Agency does not receive the request for payment of the balance by the above deadline, only costs or contributions which are included in an approved technical report and, where relevant, in an approved financial statement, are reimbursed or covered by the grant.

If the Agreement is terminated by the Agency because the coordinator has breached its obligation to submit the request for payment, the coordinator may not submit any request for payment after termination. In that case the second subparagraph applies.

The Agency calculates the final grant amount as referred to in Article II.25 and the balance as referred to in Article I.5.4 on the basis of the reports submitted. Only activities undertaken before the date when the termination takes effect or the end date of the *implementation period* as specified in Article I.2.2, whichever is the earliest, must be taken into account. Where the grant takes the form of reimbursement of costs actually incurred as provided for in Article I.3.2(a)(i), only costs incurred before termination takes effect are reimbursed or covered by the grant. Costs relating to contracts due for execution only after termination are not taken into account and are not reimbursed or covered by the grant.

The Agency may reduce the grant in accordance with Article II.25.4 in case of:

- (a) improper termination of the Agreement by the coordinator within the meaning of Article II.17.1; or
- (b) termination of the Agreement by the Agency on any of the grounds set out in points (c), (f) and points (g) to (j) of Article II.17.3.1.

Neither party may claim damages on the grounds that the other party terminated the Agreement.

After termination, the beneficiaries' obligations continue to apply, in particular those under Articles I.4, II.6, II.8, II.9, II.14, II.27 and any additional provisions on the use of the results, as set out in the Special Conditions.

#### II.17.4.2 Effects of terminating the participation of one or more beneficiaries:

- (a) The coordinator must submit a request for amendment including:
  - (i) a proposal to reallocate the tasks of the beneficiary or beneficiaries concerned by the termination; and
  - (ii) if necessary, the addition of one or more new beneficiaries to succeed the beneficiary or beneficiaries concerned in all their rights and obligations under the Agreement.

If the Agency terminates the participation of a beneficiary, the coordinator must submit the request for amendment within 60 calendar days from the day on which the termination takes effect.

If the coordinator terminates the participation of a beneficiary, the request for amendment must be included in the *formal notification* of termination referred to in Article II.17.2.

If termination takes effect after the end of the *implementation period*, no request for amendment must be provided unless the beneficiary concerned is the coordinator. In this case, the request for amendment must propose a new coordinator.

If the request for amendment is rejected by the Agency, the Agreement may be terminated in accordance with Article II.17.3.1 (b). The request for amendment may be rejected if it calls into question the decision awarding the grant or is contrary to the equal treatment of applicants.

- (b) The beneficiary concerned by termination must submit to the coordinator:
  - (i) a technical report; and
  - (ii) where applicable, a financial statement covering the period from the end of the last reporting period to the date when termination takes effect.

The coordinator must include this information in the payment request for the next reporting period.

Only activities undertaken before the date when the termination takes effect must be taken into account. Where the grant takes the form of reimbursement of costs actually incurred as provided for in Article I.3.2(a)(i), only costs incurred by the beneficiary concerned before termination takes effect are reimbursed or covered by the grant. Costs relating to contracts due for execution only after termination are not reimbursed or covered by the grant.

The Agency may reduce the grant in accordance with Article II.25.4. in case of:

- (a) improper termination of the participation of a beneficiary by the coordinator within the meaning of Article II.17.2 or
- (b) termination of the participation of a beneficiary by the Agency on any of the grounds set out in points (c), (f), (g), (h) or (i) of Article II.17.3.1.

Neither party may claim damages on the grounds that the other party terminated the participation of a beneficiary.

After termination, the concerned beneficiary's obligations continue to apply, in particular those under Articles I.4, II.6, II.8, II.9, II.14, II.27 and any additional provisions on the use of the results, as set out in the Special Conditions.

# ARTICLE II.18 — APPLICABLE LAW, SETTLEMENT OF DISPUTES AND ENFORCEABLE DECISIONS

- II.18.1 The Agreement is governed by the applicable Union law, complemented, where necessary, by the law of Belgium.
- II.18.2 In accordance with Article 272 TFEU, the General Court or, on appeal, the Court of Justice of the European Union, has sole jurisdiction to hear any dispute between the Union and any beneficiary concerning the interpretation, application or validity of the Agreement, if such dispute cannot be settled amicably.
- II.18.3 In accordance with Article 299 TFEU, for the purposes of recovery within the meaning of Article II.26, the Agency or the Commission may adopt an enforceable decision to impose pecuniary obligations on persons other than States.

An action may be brought against such decision before the General Court of the European Union in accordance with Article 263 TFEU.

#### PART B — FINANCIAL PROVISIONS

#### ARTICLE II.19 — ELIGIBLE COSTS

#### II.19.1 Conditions for the eligibility of costs

Eligible costs of the action are costs actually incurred by the beneficiary and which meet the following criteria:

- (a) they are incurred within the *implementation period*, with the exception of costs relating to the request for payment of the balance and the corresponding supporting documents referred to in Article I.4.4;
- (b) they are indicated in the estimated budget of the action. The estimated budget is set out in Annex III;
- (c) they are incurred in connection with the action as described in Annex I and are necessary for its implementation;
- (d) they are identifiable and verifiable, in particular they are recorded in the beneficiary's accounting records and determined according to the applicable accounting standards of the country where the beneficiary is established and according to the beneficiary's usual cost accounting practices;
- (e) they comply with the requirements of applicable tax and social legislation; and
- (f) they are reasonable, justified and comply with the principle of sound financial management, in particular regarding economy and efficiency.

#### II.19.2 Eligible direct costs

To be eligible, the *direct costs* of the *action* must comply with the eligibility conditions set out in Article II.19.1.

In particular, the following categories of costs are eligible *direct costs*, provided that they satisfy the eligibility conditions set out in Article II.19.1 as well as the following conditions:

(a) the costs of personnel working under an employment contract with the beneficiary or an equivalent appointing act and assigned to the *action*, provided that these costs are in line with the beneficiary's usual policy on remuneration.

Those costs include actual salaries plus social security contributions and other statutory costs included in the remuneration. They may also comprise additional remunerations, including payments on the basis of supplementary contracts regardless of the nature of those contracts, provided that they are paid in a consistent manner whenever the same kind of work or expertise is required, independently from the source of funding used;

The costs of natural persons working under a contract with the beneficiary other than an employment contract or who are seconded to the beneficiary by a third party against payment may also be included under such personnel costs, provided that the following conditions are fulfilled:

(i) the person works under conditions similar to those of an employee (in particular regarding the way the work is organised, the tasks that are performed and the premises where they are performed);

- (ii) the result of the work belongs to the beneficiary (unless exceptionally agreed otherwise); and
- (iii)the costs are not significantly different from the costs of staff performing similar tasks under an employment contract with the beneficiary;
- (b) costs of travel and related subsistence allowances, provided that these costs are in line with the beneficiary's usual practices on travel;
- (c) the depreciation costs of equipment or other assets (new or second-hand) as recorded in the beneficiary's accounting statements, provided that the asset:
  - (i) is written off in accordance with the international accounting standards and the beneficiary's usual accounting practices; and
  - (ii) has been purchased in accordance with Article II.10.1 if the purchase occurred within the *implementation period*;

The costs of renting or leasing equipment or other assets are also eligible, provided that these costs do not exceed the depreciation costs of similar equipment or assets and are exclusive of any finance fee;

Only the portion of the equipment's depreciation, rental or lease costs corresponding to the *implementation period* and the rate of actual use for the purposes of the *action* may be taken into account when determining the eligible costs. By way of exception, the full cost of purchase of equipment may be eligible under the Special Conditions, if this is justified by the nature of the *action* and the context of the use of the equipment or assets;

- (d) costs of consumables and supplies, provided that they:
  - (i) are purchased in accordance with Article II.10.1; and
  - (ii) are directly assigned to the action,
- (e) costs arising directly from requirements imposed by the Agreement (dissemination of information, specific evaluation of the *action*, audits, translations, reproduction), including the costs of requested financial guarantees, provided that the corresponding services are purchased in accordance with Article II.10.1;
- (f) costs entailed by *subcontracts* within the meaning of Article II.11, provided that the conditions laid down in Article II.11.1 (a), (b), (c) and (d) are met;
- (g) costs of financial support to third parties within the meaning of Article II.12, provided that the conditions laid down in that Article are met;
- (h) duties, taxes and charges paid by the beneficiary, notably value added tax (VAT), provided that they are included in eligible direct costs, and unless specified otherwise in the Agreement.

#### II.19.3 Eligible indirect costs

To be eligible, *indirect costs* of the *action* must represent a fair apportionment of the overall overheads of the beneficiary and must comply with the conditions of eligibility set out in Article II.19.1.

Eligible *indirect costs* must be declared on the basis of a flat rate of 7 % of the total eligible *direct costs* unless otherwise specified in Article I.3.2.

#### II.19.4 Ineligible costs

In addition to any other costs which do not fulfil the conditions set out in Article II.19.1, the following costs may not be considered eligible:

- (a) return on capital and dividends paid by a beneficiary;
- (b) debt and debt service charges;
- (c) provisions for losses or debts;
- (d) interest owed;
- (e) doubtful debts;
- (f) exchange losses;
- (g) costs of transfers from the Agency charged by the bank of a beneficiary;
- (h) costs declared by the beneficiary under another action receiving a grant financed from the Union budget. Such grants include grants awarded by a Member State and financed from the Union budget and grants awarded by bodies other than the Agency for the purpose of implementing the Union budget. In particular, beneficiaries receiving an operating grant financed by the EU or Euratom budget may not declare indirect costs for the period(s) covered by the operating grant, unless they can demonstrate that the operating grant does not cover any costs of the action.
- (i) contributions in kind from third parties;
- (i) excessive or reckless expenditure;
- (k) deductible VAT.

## ARTICLE II.20 — IDENTIFIABILITY AND VERIFIABILITY OF THE AMOUNTS DECLARED

#### II.20.1 Declaring costs and contributions

Each beneficiary must declare as eligible costs or as a requested contribution:

- (a) for actual costs: the costs it actually incurred for the action,

- (e) for financing not linked to costs: the global amount specified in Article I.3.2(e), if the corresponding results or conditions as described in Annex I have been properly achieved or fulfilled;

For the forms of grant referred to in points (b), (c), (d), (f), (g) and (h), the amounts declared must comply with the conditions specified in points (a) and (b) of Article II.19.1.

# II.20.2 Records and other documentation to support the costs and contributions declared

Each beneficiary must provide the following if requested to do so in the context of the checks or audits described in Article II.27:

- (a) for actual costs: adequate supporting documents to prove the costs declared, such as contracts, invoices and accounting records.
  - In addition, the beneficiary's usual accounting and internal control procedures must permit direct reconciliation of the amounts declared with the amounts recorded in its accounting statements and with the amounts indicated in the supporting documents;
- (b) for unit costs or unit contributions: adequate supporting documents to prove the number of units declared.
  - The beneficiary does not need to identify the actual eligible costs covered or to provide supporting documents, such as accounting statements, to prove the amount declared per unit;
- (c) for lump sum costs or lump sum contributions: adequate supporting documents to prove that the *action* has been properly implemented.
  - The beneficiary does not need to identify the actual eligible costs covered or to provide supporting documents, such as accounting statements, to prove the amount declared as a lump sum;
- (d) for flat-rate costs or flat-rate contributions: adequate supporting documents to prove the eligible costs or requested contribution to which the flat rate applies.

The beneficiary does not need to identify the actual eligible costs covered or to provide supporting documents, such as accounting statements, for the flat rate applied;

(e) for financing not linked to costs: adequate supporting documents to prove that the action has been properly implemented;

The beneficiary does not need to identify the actual eligible costs covered or to provide supporting documents, such as accounting statements, to prove the amount declared as a financing not linked to costs;

- (f) for unit costs declared on the basis of the beneficiary's usual cost accounting practices: adequate supporting documents to prove the number of units declared;

- (h) for flat-rate costs declared on the basis of the beneficiary's usual cost accounting practices: adequate supporting documents to prove the eligible costs to which the flat rate applies.

#### 11.20.3 Conditions to determine the compliance of cost accounting practices

- II.20.3.1 In the case of points (f),(g) and (h) of Article II.20.2, the beneficiary does not need to identify the actual eligible costs covered, but it must ensure that the cost accounting practices used for the purpose of declaring eligible costs are in compliance with the following conditions:
  - (a) the cost accounting practices used constitute its usual cost accounting practices and are applied in a consistent manner, based on objective criteria independent from the source of funding;
  - (b) the costs declared can be directly reconciled with the amounts recorded in its general accounts; and
  - (c) the categories of costs used for the purpose of determining the costs declared are exclusive of any ineligible cost or costs covered by other forms of grant as provided for in Article I.3.2.
- II.20.3.2 If the Special Conditions so provide, the beneficiary may submit to the Agency a request asking it to assess the compliance of its usual cost accounting practices. If required by the Special Conditions, the request must be accompanied by a certificate on the compliance of the cost accounting practices ('certificate on the compliance of the cost accounting practices').

The certificate on the compliance of the cost accounting practices must be:

- (a) produced by an approved auditor or, if the beneficiary is a public body, by a competent and independent public officer; and
- (b) drawn up in accordance with Annex VIII.

The certificate must certify that the beneficiary's cost accounting practices used for the purpose of declaring eligible costs comply with the conditions laid down in Article II.20.3.1 and with the additional conditions that may be laid down in the Special Conditions.

- II.20.3.3 If the Agency has confirmed that the beneficiary's usual cost accounting practices are in compliance, costs declared in application of these practices may not be challenged ex post, if:
  - (a) the practices actually used comply with those approved by the Agency; and
  - (b) the beneficiary did not conceal any information for the purpose of the approval of its cost accounting practices.

# ARTICLE II.21 — ELIGIBILITY OF COSTS OF ENTITIES AFFILIATED TO THE BENEFICIARIES

If the Special Conditions contain a provision on entities affiliated to the beneficiaries, costs incurred by such an entity are eligible, if:

- (a) they satisfy the same conditions under Articles II.19 and II.20 as apply to the beneficiary; and
- (b) the beneficiary to which the entity is affiliated ensures that the conditions applicable to the beneficiary under Articles II.4, II.5, II.6, II.8, II.10, II.11 and II.27 are also applicable to the entity.

#### ARTICLE II.22 — BUDGET TRANSFERS

Beneficiaries are allowed to adjust the estimated budget set out in Annex III by transfers between themselves and between the different budget categories, if the *action* is implemented as described in Annex I. This adjustment does not require an amendment of the Agreement as provided for in Article II.13.

However, the beneficiaries may not add costs relating to *subcontracts* not provided for in Annex 1, unless such additional *subcontracts* are approved by the Agency in accordance with Article II.11.1(d).

As an exception to the first subparagraph, if beneficiaries want to change the value of the contribution to which each of them is entitled, as referred to in point (c) of the third subparagraph of II.26.3, the coordinator must request an amendment as provided for in Article II.13.

The first three subparagraphs do not apply to amounts which, as provided for in Article I.3.2(a)(iii) or (c), take the form of lump sums or which, as provided for in Article I.3.2(e), take the form of financing not linked to cost.

#### ARTICLE II.23 — NON-COMPLIANCE WITH REPORTING OBLIGATIONS

The Agency may terminate the Agreement as provided for in Article II.17.3.1(c) and may reduce the grant as provided for in Article II.25.4 if the coordinator:

- (a) did not submit a request for interim payment or payment of the balance accompanied by the documents referred to in Articles 1.4.3 or 1.4.4 within 60 calendar days following the end of the corresponding reporting period; and
- (b) still fails to submit such a request within further 60 calendar days following a written reminder sent by the Agency.

# ARTICLE II.24 — SUSPENSION OF PAYMENTS AND TIME LIMIT FOR PAYMENT

#### II.24.1 Suspension of payments

#### II.24.1.1 Grounds for suspension

The Agency may at any moment suspend, in whole or in part, the pre-financing payments and interim payments for one or more beneficiaries or the payment of the balance for all beneficiaries:

- (a) if the Agency has evidence that a beneficiary has committed *irregularities*, *fraud* or *breach of obligations* in the award procedure or while implementing the Agreement;
- (b) if the Agency has evidence that a beneficiary has committed systemic or recurrent irregularities, fraud or serious breach of obligations in other grants funded by the Union or the European Atomic Energy Community ('Euratom') awarded to the beneficiary under similar conditions and such irregularities, fraud or breach of obligations have a material impact on this grant; or
- (c) if the Agency suspects *irregularities, fraud* or *breach of obligations* committed by a beneficiary in the award procedure or while implementing the Agreement and needs to verify whether they have actually occurred.

#### II.24.1.2 Procedure for suspension

Step 1 — Before suspending payments, the Agency must send a *formal notification* to the coordinator:

- (a) informing it of:
  - (i) its intention to suspend payments;
  - (ii) the reasons for suspension;
  - (iii) in the cases referred to in points (a) and (b) of Article II.24.1.1, the conditions that need to be met for payments to resume; and
- (b) inviting it to submit observations within 30 calendar days of receiving the *formal* notification.

Step 2 — If the Agency does not receive observations or decides to pursue the procedure despite the observations it has received, it must send a *formal notification* to the coordinator informing it of:

- (a) the suspension of payments;
- (b) the reasons for suspension;
- (c) the final conditions under which payments may resume in the cases referred to in points (a) and (b) of Article II.24.1.1;
- (d) the indicative date of completion of the necessary verification in the case referred to in point (c) of Article II.24.1.1.

The coordinator must immediately inform the other beneficiaries of the suspension. The suspension takes effect on the day the Agency sends *formal notification* of suspension (Step 2).

Otherwise, the Agency must send a *formal notification* to the coordinator informing it that it is not continuing with the suspension procedure.

#### II.24.1.3 Effects of suspension

During the period of suspension of payments the coordinator is not entitled to submit:

- (a) any requests for payments and supporting documents referred to in Articles I.4.2, I.4.3 and I.4.4; or
- (b) where the suspension concerns the pre-financing payments or interim payments for one or several beneficiaries only, any requests for payments and supporting documents relating to the participation of the concerned beneficiary or beneficiaries in the action.

The corresponding requests for payments and supporting documents may be submitted as soon as possible after resumption of payments or may be included in the first request for payment due following resumption of payments in accordance with the schedule laid down in Article I.4.1.

The suspension of payments does not affect the right of the coordinator to suspend the implementation of the *action* as provided for in Article II.16.1 or to terminate the Agreement or the participation of a beneficiary as provided for in Articles II.17.1 and II.17.2.

#### II.24.1.4 Resuming payments

In order for the Agency to resume payments, the beneficiaries must meet the notified conditions as soon as possible and must inform the Agency of any progress made.

If the conditions for resuming payments are met, the suspension will be lifted. The Agency will send a *formal notification* to the coordinator informing it of this.

#### II.24.2 Suspension of the time limit for payments

- II.24.2.1 The Agency may at any moment suspend the time limit for payment specified in Articles I.5.2, I.5.3 and I.5.4 if a request for payment cannot be approved because:
  - (a) it does not comply with the Agreement;
  - (b) the appropriate supporting documents have not been produced; or
  - (c) there is a doubt about the eligibility of the costs declared in the financial statements and additional checks, reviews, audits or investigations are necessary.
- II.24.2.2 The Agency must send a formal notification to the coordinator informing it of:
  - (a) the suspension; and
  - (b) the reasons for the suspension.

The suspension takes effect on the day the Agency sends the formal notification.

II.24.2.3 If the conditions for suspending the payment deadline are no longer met, the suspension will be lifted and the remaining period will resume.

If the suspension exceeds two months, the coordinator may request the Agency if the suspension will continue.

If the payment deadline has been suspended because the technical reports or financial statements do not comply with the Agreement and the revised report or statement is not submitted or was submitted but is also rejected, the Agency may terminate the Agreement or the participation of the beneficiary as provided for in Article II.17.3.1(c) and reduce the grant as provided for in Article II.25.4.

#### ARTICLE II.25 — CALCULATION OF THE FINAL AMOUNT OF THE GRANT

The final amount of the grant depends on the extent to which the action has been implemented in accordance with the terms of the Agreement.

The final amount of the grant is calculated by the Agency at the time of the payment of the balance. The calculation involves the following steps:

- Step 1 Application of the reimbursement rate to the eligible costs and addition of the financing not linked to costs, unit, flat-rate and lump sum contributions
- Step 2 Limit to the maximum amount of the grant
- Step 3 Reduction due to the no-profit rule
- Step 4 Reduction due to improper implementation, irregularity, fraud or breach of other obligations.
- II.25.1 Step 1 Application of the reimbursement rate to the eligible costs and addition of the financing not linked to costs, unit, flat-rate and lump sum contributions

This step is applied as follows:

- (a) If, as provided for in Article I.3.2(a)(i), the grant takes the form of the reimbursement of eligible costs actually incurred, the reimbursement rate specified in that Article is applied to those eligible costs as approved by the Agency for the corresponding categories of costs, beneficiaries and affiliated entities
- (b) If, as provided for in Article I.3.2(a) (ii) to (v), the grant takes the form of the reimbursement of eligible unit costs, lump sum costs or flat rate costs, the reimbursement rate specified in that Article is applied to the those eligible costs as approved by the Agency for the corresponding categories of costs, beneficiaries and affiliated entities;

The accepted amount of volunteers' work for the corresponding beneficiaries and affiliated entities must be limited to the following amount, whichever is the lowest:

- (i) the total sources of financing as indicated in the estimated budget set out in Annex III and as accepted by the Agency multiplied by fifty per cent; or
- (ii) the amount of volunteers' work as indicated in the final financial statement.
- (c) If, as provided for in Article I.3.2(b), the grant takes the form of a unit contribution, the unit contribution specified in that Article is multiplied by the actual number of units approved by the Agency for the corresponding beneficiaries and affiliated entities;
- (d) If, as provided for in Article I.3.2(c), the grant takes the form of a lump sum contribution, the Agency applies the lump sum specified in that Article for the corresponding beneficiaries and affiliated entities if it finds that the corresponding tasks or part of the action were implemented properly in accordance with Annex I;
- (e) If, as provided for in Article I.3.2(d), the grant takes the form of a flat-rate contribution, the flat rate referred to in that Article is applied to the eligible costs or to the contribution approved by the Agency for the corresponding beneficiaries and affiliated entities;
- (f) If, as provided for in Article I.3.2(e), the grant takes the form of financing not linked to costs, the Agency applies the amount specified in that Article for the corresponding beneficiaries and affiliated entities if it finds that [the conditions specified in Annex I were fulfilled][and][the results specified in Annex I were achieved].

If Article I.3.2 provides for a combination of different forms of grant, the amounts obtained must be added together.

#### II.25.2 Step 2 — Limit to maximum amount of the grant

The total amount paid to the beneficiaries by the Agency may in no circumstances exceed the maximum amount of the grant.

If the amount obtained following Step 1 is higher than this maximum amount, the final amount of the grant is limited to the latter.

If volunteers' work is declared as part of direct eligible costs, the final amount of the grant is limited to the amount of total eligible costs and contributions approved by the Agency minus the amount of volunteers' work approved by the Agency.

#### II.25.3 Step 3 — Reduction due to the no-profit rule

The grant may not produce a profit for the beneficiaries, unless specified otherwise in the Special Conditions.

The profit must be calculated as follows:

(a) calculate the surplus of the total receipts of the action, over the total eligible costs of the action, as follows:

{ receipts of the action

minus

consolidated total eligible costs and contributions approved by the Agency corresponding to the amounts determined in accordance with Article II.25.1

The receipts of the action are calculated as follows:

{ the revenue generated by the *action* for beneficiaries and affiliated entities, other than non-profit organisations

plus

the amount obtained following Steps 1 and 2

where the revenue generated by the action is the consolidated revenue established, generated or confirmed for beneficiaries and affiliated entities, other than non-profit organisations on the date on which the request for payment of the balance is drawn up by the coordinator.

In-kind and financial contributions by third parties are not considered receipts.

(b) If the amount calculated under point (a) is positive, this amount will be deducted from the amount calculated following Steps 1 and 2, in proportion to the final rate of reimbursement of the actual eligible costs of the action approved by the Agency for the categories of costs referred to in Article I.3.2(a)(i).

# II.25.4 Step 4 — Reduction due to improper implementation, irregularity, fraud or breach of other obligations

The Agency may reduce the *maximum amount of the grant* if the *action* has not been implemented properly as described in Annex I (i.e. if it has not been implemented or has been implemented poorly, partially or late), or in case of *irregularity, fraud* or breach of an obligation under the Agreement.

The amount of the reduction will be proportionate to the degree to which the action has been implemented improperly or to the seriousness of the irregularity, fraud or breach of obligation.

Before the Agency reduces the grant, it must send a formal notification to the coordinator:

- (a) informing it of:
  - (i) its intention to reduce the maximum amount of the grant,
  - (ii) the amount by which it intends to reduce the grant;
  - (iii) the reasons for reduction;
- (b) inviting it to submit observations within 30 calendar days of receiving the formal notification.

If the Agency does not receive any observations or decides to pursue reduction despite the observations it has received, it will send a *formal notification* informing the coordinator of its decision.

If the grant is reduced, the Agency must calculate the reduced grant amount by deducting the amount of the reduction (calculated in proportion to the improper implementation of the action or to the seriousness of the irregularity, fraud or breach of obligations) from the maximum amount of the grant.

The final amount of the grant will be the lower of the following two:

- (a) the amount obtained following Steps 1 to 3; or
- (b) the reduced grant amount following Step 4.

#### **ARTICLE II.26 — RECOVERY**

#### II.26.1 Recovery at the time of payment of the balance

Where the payment of the balance takes the form of a recovery, the coordinator must repay the Agency the amount in question, even if it was not the final recipient of the amount due.

#### II.26.2 Recovery after payment of the balance

Where an amount is to be recovered as provided for in Articles II.27.6, II.27.7 and II.27.8, the beneficiary concerned by the audit or OLAF findings must repay the Agency the amount in question. Where the audit findings do not concern a specific beneficiary (or its affiliated entities), the coordinator must repay the Agency the amount in question, even if it was not the final recipient of the amount due.

Each beneficiary is responsible for the repayment of any amount unduly paid by the Agency as a contribution towards the costs incurred by its affiliated entities.

#### II.26.3 Recovery procedure

Before recovery, the Agency must send a formal notification to the beneficiary concerned:

- (a) informing it of its intention to recover the amount unduly paid;
- (b) specifying the amount due and the reasons for recovery; and
- (c) inviting the beneficiary to make any observations within a specified period.

If no observations have been submitted or if, despite the observations submitted by the beneficiary, the Agency decides to pursue the recovery procedure, the Agency may confirm recovery by sending a *formal notification* to the beneficiary consisting of a debit note, specifying the terms and the date for payment.

If payment has not been made by the date specified in the debit note, the Agency will recover the amount due:

(a) by offsetting it, without the beneficiary's prior consent, against any amounts owed to the beneficiary by the Agency and/or the Commission or an executive agency (from

the Union or the European Atomic Energy Community (Euratom) budget) ('offsetting');

In exceptional circumstances, to safeguard the financial interests of the Union, the Agency may offset before the due date.

An action may be brought against such offsetting before the General Court of the European Union in accordance with Article 263 TFEU;

- (b) by drawing on the financial guarantee where provided for in accordance with Article I.5.2 ('drawing on the financial guarantee');
- (c) by holding the beneficiaries jointly and severally liable up to the maximum EU contribution indicated, for each beneficiary, in the estimated budget (Annex III as last amended);
- (d) by taking legal action as provided for in Article II.18.2 or in the Special Conditions or by adopting an enforceable decision as provided for in Article II.18.3.

#### II.26.4 Interest on late payment

If payment is not made by the date in the debit note, the amount to be recovered will be increased by late-payment interest at the rate set out in Article I.5.6 from the day following the date for payment in the debit note up to and including the date the Agency and/or the Commission receives full payment of the amount.

Partial payments must first be credited against charges and late-payment interest and then against the principal.

#### II.26.5 Bank charges

Bank charges incurred in the recovery process must be borne by the beneficiary concerned, unless Directive 2007/64/EC<sup>4</sup> applies.

#### ARTICLE II.27 — CHECKS, AUDITS AND EVALUATIONS

#### II.27.1 Technical and financial checks, audits, interim and final evaluations

The Agency and/or the Commission may, during the implementation of the action or afterwards, carry out technical and financial checks and audits to determine that the beneficiaries are implementing the action properly and are complying with the obligations under the Agreement. It may also check the beneficiaries' statutory records for the purpose of periodic assessments of lump sum, unit cost or flat-rate amounts.

Information and documents provided as part of checks or audits must be treated on a confidential basis.

<sup>&</sup>lt;sup>4</sup> Directive 2007/64/EC<sup>4</sup> of the European Parliament and of the Council of 13 November 2007 on payment services in the internal market amending Directives 97/7/EC, 2002/65/EC, 2005/60/EC and 2006/48/EC and repealing Directive 97/5/EC.

In addition, the Agency and/or the Commission may carry out an interim or final evaluation of the impact of the action, measured against the objective of the Union programme concerned.

The Agency and/or the Commission checks, audits or evaluations may be carried out either directly by the Agency and/or the Commission's own staff or by any other outside body authorised to do so on its behalf.

The Agency and/or the Commission may initiate such checks, audits or evaluations during the implementation of the Agreement and during a period of five years starting from the date of payment of the balance. This period is limited to three years if the maximum amount of the grant is not more than EUR 60 000.

The check, audit or evaluation procedures are considered to be initiated on the date of receipt of the letter of the Agency or the Commission announcing it.

If the audit is carried out on an affiliated entity, the beneficiary concerned must inform that affiliated entity.

#### II.27.2 Duty to keep documents

The beneficiaries must keep all original documents, especially accounting and tax records, stored on any appropriate medium, including digitalised originals when they are authorised by their respective national law and under the conditions laid down therein, during a period of five years starting from the date of payment of the balance.

The period during which documents must be kept is limited to three years if the *maximum* amount of the grant is not more than EUR 60 000.

The periods set out in the first and second subparagraphs are longer if there are ongoing audits, appeals, litigation or pursuit of claims concerning the grant, including in the cases referred to in Article II.27.7. In such cases, the beneficiaries must keep the documents until such audits, appeals, litigation or pursuit of claims have been closed.

#### II.27.3 Obligation to provide information

Where a check, audit or evaluation is initiated before the payment of the balance, the coordinator must provide any information, including information in electronic format, requested by the Agency and/or the Commission or by any other outside body authorised by the Agency and/or the Commission. Where appropriate, the Agency and/or the Commission may request that a beneficiary provides such information directly.

Where a check or audit is initiated after payment of the balance, the information referred to in the previous subparagraph must be provided by the beneficiary concerned.

If the beneficiary concerned does not comply with the obligations set out in the first and second subparagraphs, the Agency and/or the Commission may consider:

(a) any cost insufficiently substantiated by information provided by the beneficiary as ineligible;

(b) any financing not linked to costs, unit, lump sum or flat-rate contribution insufficiently substantiated by information provided by the beneficiary as undue.

#### II.27.4 On-the-spot visits

During an on-the-spot visit, the beneficiaries must allow Agency and/or the Commission staff and outside personnel authorised by the Agency to have access to the sites and premises where the *action* is or was carried out, and to all the necessary information, including information in electronic format.

They must ensure that the information is readily available at the moment of the on-the-spot visit and that information requested is handed over in an appropriate form.

If the beneficiary concerned refuses to provide access to the sites, premises and information as required in the first and second subparagraphs, the Agency and/or the Commission may consider:

- (a) any cost insufficiently substantiated by information provided by the beneficiary as ineligible;
- (b) any financing not linked to costs, unit, lump sum or flat-rate contribution insufficiently substantiated by information provided by the beneficiary as undue.

#### II.27.5 Contradictory audit procedure

On the basis of the findings made during the audit, a provisional report ('draft audit report') must be drawn up. It must be sent by the Agency and/or the Commission or its authorised representative to the beneficiary concerned, which must have 30 calendar days from the date of receipt to submit observations. The final report ('final audit report') must be sent to the beneficiary concerned within 60 calendar days of expiry of the time limit for submission of observations.

#### II.27.6 Effects of audit findings

On the basis of the final audit findings, the Agency and/or the Commission may take the measures it considers necessary, including recovery at the time of payment of the balance or after payment of the balance of all or part of the payments made by it, as provided for in Article II.26.

In the case of final audit findings after the payment of the balance, the amount to be recovered corresponds to the difference between the revised final amount of the grant, determined in accordance with Article II.25, and the total amount paid to the beneficiaries under the Agreement for the implementation of the action.

# II.27.7 Correction of systemic or recurrent irregularities, fraud or breach of obligations

II.27.7.1 The Agency and/or the Commission may extend audit findings from other grants to this grant if:

- (a) the beneficiary concerned is found to have committed systemic or recurrent *irregularities, fraud* or *breach of obligations* in other EU or Euratom grants awarded under similar conditions and such *irregularities, fraud* or *breach of obligations* have a material impact on this grant; and
- (b) the final audit findings are sent to the beneficiary concerned through a *formal* notification, together with the list of grants affected by the findings within the period referred to in Article II.27.1.

#### The extension of findings may lead to:

- (a) the rejection of costs as ineligible;
- (b) reduction of the grant as provided for in Article II.25.4;
- (c) recovery of undue amounts as provided for in Article II.26;
- (d) suspension of payments as provided for in Article II.24.1;
- (e) suspension of the action implementation as provided for in Article II.16.2;
- (f) termination as provided for in Article II.17.3.
- II.27.7.2 The Agency and/or the Commission must send a *formal notification* to the beneficiary concerned informing it of the systemic or recurrent *irregularities*, *fraud* or *breach of obligations* and of its intention to extend the audit findings, together with the list of grants affected.
- (a) If the findings concern eligibility of costs the procedure is as follows:

#### Step 1 — The formal notification must include:

- (i) an invitation to submit observations on the list of grants affected by the findings;
- (ii) a request to submit revised financial statements for all grants affected;
- (iii) where possible, the correction rate for extrapolation established by the Agency and/or the Commission to calculate the amounts to be rejected on the basis of the systemic or recurrent *irregularities, fraud* or *breach of obligations*, if the beneficiary concerned:
  - considers that the submission of revised financial statements is not possible or practicable; or
  - will not submit revised financial statements.
- Step 2 The beneficiary concerned has 60 calendar days from when it receives the *formal* notification to submit observations and revised financial statements or to propose a duly substantiated alternative correction method. This period may be extended by the Agency and/or the Commission in justified cases.
- Step 3 If the beneficiary concerned submits revised financial statements that take account of the findings the Agency and/or the Commission will determine the amount to be corrected on the basis of those revised statements.

If the beneficiary proposes an alternative correction method and the Agency and/or the Commission accepts it, the Agency and/or the Commission must send a *formal notification* to the beneficiary concerned informing it:

- (i) that it accepts the alternative method;
- (ii) of the revised eligible costs determined by applying this method.

Otherwise the Agency and/or the Commission must send a formal notification to the beneficiary concerned informing it:

- (i) that it does not accept the observations or the alternative method proposed;
- (ii) of the revised eligible costs determined by applying the extrapolation method initially notified to the beneficiary.

If the systemic or recurrent *irregularities, fraud* or *breach of obligations* are found after the payment of the balance, the amount to be recovered corresponds to the difference between:

- (i) the revised final amount of the grant, determined in accordance with Article II.25 on the basis of the revised eligible costs declared by the beneficiary and approved by the Agency and/or the Commission or on the basis of the revised eligible costs after extrapolation; and
- (ii) the total amount paid to the beneficiaries under the Agreement for the implementation of the action,
- (b) If the findings concern improper implementation or a breach of another obligation the procedure is as follows:

#### **Step 1** — The *formal notification* must include:

- (i) an invitation to the beneficiary to submit observations on the list of grants affected by the findings and
- (ii) the correction flat rate the Agency and/or the Commission intends to apply to the maximum amount of the grant or to part of it, according to the principle of proportionality.
- Step 2 The beneficiary concerned has 60 calendar days from receiving the *formal* notification to submit observations or to propose a duly substantiated alternative flat-rate.
- Step 3 If the Agency and/or the Commission accepts the alternative flat rate proposed by the beneficiary, it must send a *formal notification* to the beneficiary concerned informing it:
  - (i) that it accepts the alternative flat-rate;
  - (ii) of the corrected grant amount by applying this flat rate.

Otherwise the Agency and/or the Commission must send a formal notification to the beneficiary concerned informing it:

- (i) that it does not accept the observations or the alternative flat rate proposed;
- (ii) of the corrected grant amount by applying the flat rate initially notified to the beneficiary.

If the systemic or recurrent *irregularities*, *fraud* or *breach of obligations* are found after the payment of the balance, the amount to be recovered corresponds to the difference between:

- (i) the revised final amount of the grant after flat-rate correction; and
- (ii) the total amount paid to the beneficiaries under the Agreement for the implementation of the action.

#### II.27.8 Rights of OLAF

The European Anti-Fraud Office (OLAF) has the same rights as the Agency and the Commission, particularly the right of access, for the purpose of checks and investigations.

Under Council Regulation (Euratom, EC) No 2185/96<sup>5</sup> and Regulation (EU, Euratom) No 883/2013<sup>6</sup> OLAF may also carry out on-the-spot checks and inspections in accordance with the procedures laid down by Union law for the protection of the financial interests of the Union against *fraud* and other *irregularities*.

Where appropriate, OLAF findings may lead to the Agency and/or the Commission recovering amounts from beneficiaries.

Moreover, findings arising from an OLAF investigation may lead to criminal prosecutions under national law.

#### II.27.9 Rights of the European Court of Auditors and EPPO

The European Court of Auditors and the European Public Prosecutor's Office established by Council Regulation (EU) 2017/1939<sup>7</sup> ('the EPPO') have the same rights as the Agency and the Commission, particularly the right of access, for the purpose of checks, audits and investigations.

<sup>&</sup>lt;sup>7</sup> Council Regulation (EU) 2017/1939 of 12 October 2017 implementing enhanced cooperation on the establishment of the European Public Prosecutor's Office

<sup>&</sup>lt;sup>5</sup> Council Regulation (Euratom, EC) No 2185/96 of 11 November 1996 concerning on-the-spot checks and inspections carried out by the Commission in order to protect the European Communities' financial interests against fraud and other irregularities.

<sup>&</sup>lt;sup>6</sup> Regulation (EU, Euratom) No 883/2013 of the European Parliament and of the Council of 11 September 2013 concerning investigations conducted by the European Anti-Fraud Office (OLAF).
